Subject: Project SPIKE Progress Report

[Illeg] covers progress in three tasks: SAMSO
[5 words illeg] test planning meeting; [words illeg]
[1 line illeg]

[Words illeg] Evaluation. Informal conversation
[8 lines illeg]

c. ADC [illeg] Post Planning Meeting [illeg] host
an [illeg] ASD/General Dynamics meeting on [illeg] Sep 71.
The [illeg] of the meeting is to define a test program which
will demonstrate aerodynamic and mechanical compatibility of
the ACM-78 missile with the F-106.

c. (S) Hughes Unsolicited Proposal. Hughes Aircraft
Co. has identified an alternate approach to SPIKE utilizing
an aerodynamic shape similar to the AIR-2A with a SCOUT
fourth stage propulsion. Recommend that the Commander
receive the Hughes presentation tentatively scheduled for
1030, 3 Sep 71.
